DON'T CRY, WE'LL FIX IT!

No worries, we repair almost everything!

Whether it is sewing, bladder repair or even repairing surfboards and hydrofoils: everything is done on site by well-trained staff with many years of experience.

Starting this summer, we will regularly be hosting Kite repair workshops. The exact dates can be found under the events section of our Facebook page.

The cost of repair ranges between CHF 60.- and 90.- per hour excluding the materials required for the repair.
