WORRY LESS, PADDLE MORE!

In the early morning, when the lake is so flat that it becomes a mirror, stand-up paddling is the most wonderful thing.
Nestled in the narrow valley, you can enjoy nature in peace and quiet. Of course, it is also a great warm-up before your kite session in the afternoon!

NO WIND, NO PROBLEM!

Even without wind, the Engadin is never boring. Various activities besides SUP and Kite Surf improve your stay in Engadin.

Sports center at the spot

Situated next to the Kite school is the sports center Mulets with tennis courts, a football and volleyball pitches.

Engadin mountains

For biking, hiking and climbing or simply a leasurely stroll, the Engadin boasts fantastic opportunities.
The stunning lakes invite you for a refreshing swim and barbeques. Cliff jumping at Plaun de Lej is also a highlight.
