WE'LL GET YOU HOT IN WINTER!

Even in the winter kiting is hot! As the first school in Europe, our experience in teaching Snowkiting dates back to 1994. Surrounded by one of the most breath-taking winter wonderlands, you can learn to snowkite with our fully certified and experienced instructors. On request we will even guide you up into the mountains.

The winter season starts mid-December and lasts until the beginning of April.

All courses can also be booked without any previous knowledge or experience. All equipment (except ski, snowboard and ski / snowboard boots) is included in the price.
