### The official St. Moritz Instagram account

Here is the official St. Moritz Instagram account, which shows the most beautiful pictures of St. Moritz. So let's go - participate, like, share and comment. And of course post your own pictures with #stmoritz.

### Rental equipment

Your rental equipment - book conveniently and suitably in advance. Benefit from this by arriving with little luggage and therefore enjoy a varying local holiday.

### Via ferrata & high ropes course

You're short of breath, your arm muscles are burning, and under your feet is nothing but thin air. Do you like the idea of scaling a rock face, even if you have little or no climbing experience? If so, we recommend our three via ferratas, all located in the Pontresina region.
